How to Authenticate This Official Transcript From the University of Central Florida

This official transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. If you are not the intended recipient, please notify the Registrar's Office at the University of Central Florida. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by the University of Central Florida, and this document is viewed using Adobe® Acrobat version 6.0 or greater, or Adobe® Reader version 6.04 or greater, it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by the University of Central Florida with a valid certificate issued by GeoTrust CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The transcript key and guide to transcript evaluation is the last page of this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

Accreditation

The University of Central Florida is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award degrees at the associate, baccalaureate, master, specialist and doctoral levels. The University of Central Florida's College of Medicine M.D. Program has received preliminary accreditation by Liaison Committee on Medical Education which is composed of representatives of the Association of American Medical Colleges and the American Medical Association.

History

The University of Central Florida was established in 1963 and was first named Florida Technological University. Classes began in 1968. The name was changed by action of the Florida Legislature on December 6, 1978. The University of Central Florida is one of eleven universities in the State University System of Florida. The College of Medicine M.D. Program was approved by the Florida Board of Governors and Florida Legislature in 2006. The M.D. Program admitted the charter class Fall of 2009.

Credit and Grades

Quarter credit hours were used at UCF from Fall 1968 through Summer 1981. Semester credit hours have been used since Fall 1981. All credit hours on this record have been converted to semester credit hours.

A semester hour of credit represents one class hour of work (or two or more laboratory hours of work) per week for a semester. Classes may be offered for a six-week period during the Summer Term. During this shortened term, two class hours of work (or four or more laboratory hours of work) per week are required to represent a semester hour of credit.

All undergraduate credit transferred to UCF is shown on the permanent record. The listing of courses on the transcript does not assure acceptance toward any specific graduation requirement.

The plus/minus grading system became effective Fall 2001.

Academic Standing

A student is placed on *academic probation* when his/her UCF cumulative GPA drops below 2.0. A student on academic probation is *disqualified* upon failure to achieve a minimum term 2.0 GPA while on academic probation. A student who is disqualified may not enroll at UCF for two semesters following disqualification. Disqualified students who require 15 or more semester hours of "B" grade course work to raise the UCF cumulative GPA to 2.0 **are not** eligible for readmission to UCF. A student readmitted following disqualification who fails to achieve a minimum 2.0 GPA is *excluded* from the University. Excluded students **are not** eligible for readmission to UCF.

Academic Amnesty

Effective Fall 2004, the Academic Amnesty Program provides undergraduate students who are not eligible for readmission for academic reasons the opportunity to readmit to UCF after five or more years of separation. Upon successful completion of the Amnesty Program, UCF nullifies up to two consecutive terms of UCF coursework from the UCF cumulative GPA. All coursework remains part of the student's permanent record and is recorded with nullified terms and courses identified by the "T" Course Type.

Course Type (located next to Grade)

blank	Regular Credit
T	Repeated Course (not included in GPA)
R	Repeated Course (for Grade Forgiveness, included in GPA)
